Dear Ms. Menos-Gissel,

On behalf of upwards of 200,000 teachers across Canada, our sincere wishes of support and hope to the Haitian people whose lives have been deeply affected by the massive devastation caused by the earthquake and aftershocks this week.

Although this deadly natural disaster will have a tragic impact on the Haitian people, there is no doubt in my mind that your inner strength and collective will can serve as the bricks and mortar that will help to rebuild the future in Haiti.

May you rebuild your lives, schools and communities from the rubble. You can count on Canadian teachers who will support through donations and other means of assistance through their communities and classrooms as well as through Education International which represents over 30-million teachers around the world.

Our hearts go out to all of you during this tragic ordeal.

Sincerely,

Mary-Lou Donnelly
President
