## SPECIAL RECOGNITION AWARD

### Larry Jamieson

This award is presented to individuals who have given meritorious service to education and/or the teaching profession at the provincial/territorial, national or international level.

*Nominated by the New Brunswick Teachers' Association (NBTA)*

Larry Jamieson spent 21 years as a classroom teacher before becoming a teaching principal. Throughout his 40 years of experience in the teaching profession, Larry held various roles in New Brunswick including school representative, branch president, staff member in Communications Teacher Welfare, and member of the Board of Directors. He also sat on the Executive Committees of both the NBTA and the New Brunswick Teachers' Federation (NBTF).

He became a member of the Canadian Teachers' Federation (CTF/FCE) Board of Directors when he was appointed to Executive Director of the NBTA in August 2009.

Over the past 20 years, Larry has built and maintained solid relationships and worked with several colleagues outside the NBTA – in district offices, and at New Brunswick's Department of Education and Early Childhood Development, through the CTF/FCE. He has also served in numerous capacities and has been a champion of the CTF/FCE as the national voice of the teaching profession.

Throughout his career, New Brunswick students and teachers have benefited from Larry's leadership and guidance. His approach to leadership has been to "serve" his membership. Providing the best possible advice to teachers in need has always been his priority.
