Election Statement

Colleagues,

As I conclude 4 years as President of the Newfoundland and Labrador Teachers' Association (NLTA), I am eager to expand my role with the CTF/FCE as Vice-President (Open At Large).

My experience leading the NLTA, serving a diverse membership over an expansive geographic area, will translate well to the national stage; as will my continued in-school experience, when I return to the frontlines in September of this year.

As a Vice-President, I commit to:

- supporting all affiliates, working to understand your frames of reference, while collectively moving forward;
- collaborating with Executive, Board, and Staff to proactively address the challenges facing publicly funded education;
- representing you with integrity and professionalism.

I have specific interest in:

- "Push Back" on Ultra-Conservative Agendas
- Schools as Safe and Inclusive Spaces for All
- Collective Bargaining and Labour Rights

I ask for your support in bringing my voice to the national table.

Yours in Education,

Trent Langdon
